

# PreCritter Activities

**Ages 4-6, 1 hour Activities, Comes with a 2 Critter Meet & Greet!**

#	Activity	Description
1	Piggy Craft Day!	Students will learn all about where meat, eggs and milk come from in age-appropriate terms and make their very own craft pig-pen made from piggy toys, chocolate pudding and popsicle stick fencing.
2	Reading with Critters Day!	Read alongside a teacher-selected book or a Curious Critters-selected book to some of your favourite critters.
3	All About Agriculture Day!	A free-play felt board for students to place their own farm elements to collectively design a farm while learning about each component as we play.
4	How to Draw Day!	Learn how to draw through a follow-along activity. For ages 4-7, we place stickers on a connect-the-dots activity printout and learn about wild animals vs zoo animals!
5	Finger Painting Day!	Toddler-safe finger painting with your favourite critters! Finger paints, sleeves and smock supplied!
6	Dino Hunt Day!	As a group, we get to discover the dino toys hidden within child-safe sand putty
7	Pop n Catch Day!	Pop'n Catch relay game where students get to play with pop n catch launchers
8	Sensory Exploration Day!	Learn all about Canadian ecosystems as we play with a pond ecosystem, sand toys, and a water sensory bin. Room must have access to a sink.
9	Hay Hunt Day!	Learn about different foods as we search for them in a haystack to place in different bins!
10	Bug Scavenger Hunt Day!	Using your very own bug catcher find and collect as many hidden bugs in the room and place them in the correct location on the bug board! Everyone gets a prize!
11	Build a Zoo Day!	As a group, we get to build a giant felt board zoo and learn about different animals and conservation as we play!
